

### REMARKS

In response to the official office action of October 5, 2004, applicant has canceled claims 1-4 in view of the prior art. Applicant has also rewritten claim 5 as a new base claim including the limitations of the original base claim and any intervening claims. Also, none of the prior art describes the structural limitations of claims 5-9. As a result, applicant has now placed claims 5-9 in conditions for allowance.

Applicant has not added any new subject matter to the claims and respectfully request that the examiner takes the foregoing into consideration and that she be granted Letters Patent for her invention.

Respectfully Submitted,
